This release must have a contact name and phone number should the media require additional information.

PARKING / SHUTTLE

While special events are a benefit to local residents, they can also severely impact traffic, parking and disrupt citizens' ability to travel around their hometown.

How do you intend to lessen the impact of your event (traffic/parking) on local businesses and residents?

We do our best to keep the event goers contained to the venue and to the sponsoring hotel and casinos. The casinos offer parking for the bikes.

Where will event participants park?

All participating casino sponsors offer bike parking in their parking garages.
